Community Council Minutes

May 6, 2015 at 7:30 am

Location: Quest Academy, 4862 W 4000 S, West Haven, UT 84401, Q2 Faculty Work Room

In Attendance: Dave Bullock (Principal), Jamie Jacques (Chair), Laura Neeley (Secretary), Tammy Mindrum, Tammy Paulson (Co-Chair), Heidi Jex (Parliamentarian), Ryan Tippetts (Vice-Principal), Gabriel Robinson, and Leesa Blakeley, Ryan Olson

Minutes

Call to Order – Laura Neeley moved to begin the meeting, Leesa Blakely seconded the motion

1. Introduction of New Members: Gabriel Robinson, Ryan Olson
2. Reorganization of Community Council Positions:
Gabriel Robinson to act as Chair of Community Council
Tammy Paulsen to continue as Co-Chair
Heidi Jex to act as Secretary
Leesa Blakeley to act as Parliamentarian
3. Open Meetings Act Training completed via powerpoint presentation received from Quest Academy Board. Members of the council signed indications that they had completed the training. Did not complete training as it pertains to closed meetings, electronic meetings, and penalties associated with violating the Open Meetings Act. Discussion on areas where improvement in our communication with community can be anticipated: soliciting items for the agenda prior to the meeting with posting of said agenda for the community to review prior to the meeting.
4. Public Comments: Discussion of school calendar and its effect on Quest families. Short days of particular concern. Dr. Bullock reported that we are compelled to have 180 days of school, 990 hours of school. Quest meets the demands for days of school and surpasses the number of hours of school.

No decisions were made – will add this to agenda early in 2015-2016 school year, obtain parent input and make recommendations to school administration as needed.

Tentative Schedule of meetings:

August 5, 2015– School Lands Trust Funds

October 7, 2015 - Review of Quest Academy School calendar

December 2, 2015 -

February 3, 2016 – Human Sexuality Curriculum Review

April 6, 2016 – Elections for Community Council, Open Meetings Act Training
